

Solarcraft IDEAL Enclosures & Skids

Lightweight solutions for standard applications

Solarcraft IDEAL enclosures and skids are the perfection solution for standard applications. Following the increasing demand for lightweight yet robust systems, our in-house engineers developed our new IDEAL line of products that offer a variety of standard sizes to match your needs and desired configuration.

The careful design creates a more streamlined manufacturing process, saving both time and money, to help you power and control units that work in any environment, from home applications to large-scale industries, all while maintaining a 3R rating.

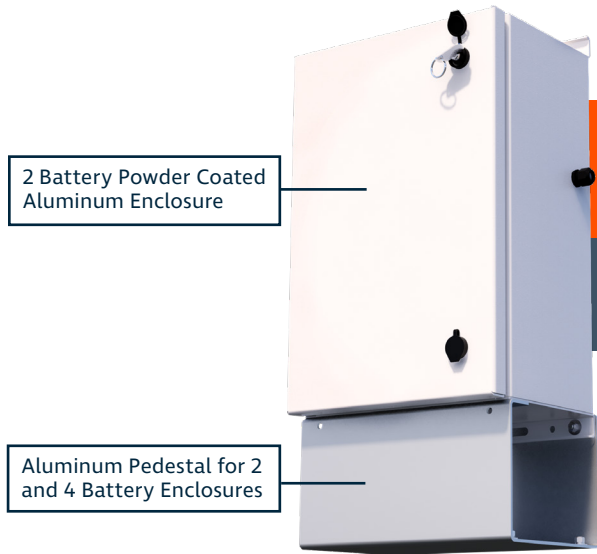

8 Battery Powder Coated Aluminum Enclosure

Aluminum Pedestal for 8 Battery Enclosure

4'x4' Light Duty Steel Skid

IPA-8 with PED-IPA-8 and SKID-LDS

2 Battery Powder Coated Aluminum Enclosure

Aluminum Pedestal for 2 and 4 Battery Enclosures

IPA-2 with PED-IPA-2

Key Benefits and Features:

- Powder coated aluminum offers superior quality while remaining economical
- Continuous welds to ensure a complete seal and finish on every product
- All Solarcraft IDEAL enclosures are NEMA 3-R rated, providing a more efficient, temperature-controlled unit
- Modular, standardized designs streamline manufacturing while providing a sturdy end product
- Empty enclosures with optional pedestals and skids allows you to customize the integration to meet your needs and specific application
- Save installation time with standard sizes

Solarcraft IDEAL Product Descriptions	Part Number	Rating	Backplane (WxH)	Exterior Dimensions (LxWxH)	Interior Dimensions (LxWxH)
Powder Coated Aluminum Trunk, 10 Battery	ITA-10	3R	-	32"x36"x17"	31.75"x35.75"x13.25"
Powder Coated Aluminum Trunk, 4 Battery	ITA-4	3R	-	18.25"x30"x16.75"	12.25"x29.75"x13.5"
Tall Powder Coated Aluminum Enclosure, 4 Battery	IPA-4T	3R	17.25"x20.25"	22"x20"x51"	20.75"x19.75"x47.75"
Powder Coated Aluminum Enclosure, 4 Battery	IPA-4	3R	9"x29"	10"x30"x24"	9.75"x29.75"x23.75"
Powder Coated Aluminum Enclosure, 8 Battery	IPA-8	3R	28.5"x9"	11.5"x30"x41.75"	10.75"x29.75"x38.75"
Powder Coated Aluminum Enclosure, 2 Battery	IPA-2	3R	15"x9"	10"x16"x24"	9.5"x15.75"x23.75"
Aluminum Pedestal, .190", 8 Battery Maximum	PED-IPA-8	-	-	10"x30"x8"	-
Aluminum Pedestal, .190", 4 Battery Maximum	PED-IPA-4	-	-	20"x20"x8"	-
Aluminum Pedestal, .190", 2 Battery Maximum	PED-IPA-2	-	-	10.5"x16"x8.5"	-
Light Duty Medium Steel Diamond Plate Skid	SKID-LDM	-	-	72"x48"x4.5"	-
Light Duty Small Steel Diamond Plate Skid	SKID-LDS	-	-	48"x48"x4.5"	-
